

Dear Parents,

Attached is a debit/credit card form for weekly or monthly donations **to the parish**. (This is not for Religious Education classes.)

Many families say that they forget their envelopes or just throw cash in the collection basket. Without an identifying name on the offertory, there is no way to credit these families for their donations. This puts them in a higher tuition tier.

An alternative is to contribute by debit/credit card. If you contribute \$21 a month by credit card, you will be placed in the lowest tuition tier.

If you would like to do this, you can turn in this form along with your registration.

This is not a requirement, just a suggestion to help keep the cost of tuition down.
